## USA SECTION

### MESSAGE FROM THE PRESIDENT

Paul E. Stubbs

In one of my previous decades of life and adventures, I would accompany my wife, Jena, to various gift markets to select merchandise to sell in her retail "fine gifts" business. Fortunately, one of the items, a whimsical yard art piece, never sold and ended up in our yard. The caption under the dog's head and attached metal bones reads, "So many bones – so little time". At this point in my year as USA Section President, I can identify with that dog, as related to the section activities~!

Following the Spring Board of Regents Meeting in Albuquerque, my reality check showed the year half over with progress on "Action Plans" established by the 2012 Applied Strategic Plan fortunately ahead of expectations.

First, I must give accolades to the new Regents attending the meeting: Peter Korch (District 3), David Holwager (District 7), Bill Fraser (District 11) and Doug Starkey (District 17). The Board of Regents was accompanied by productive substitutes for those Regents who were unable to attend: Deputy Regent Susan Bishop (for District 8 Regent Pete Paulson), Vice Regent Henrik Hansen (for new District 13 Regent Bruce Toy), and Vice Regent Bettie McKaig (for District 16 Regent Bill Bennett). I am pleased to report that each "new face" took the position on the Board seriously with meaningful questions and contributions to our discussions and decisions.

A cursory look of the Board Minutes allows me to report some major items for your mid-year review:

- Excellent slate of Honorary Fellowship designations
- Increased non-dues revenue for publications through congratulatory ads in the Key
- Completed the ICD Video for the Fellowship Orientation Program (under budget). The PR Committee is near completion on their narrated slide show that gives an engaging overview of the USA Section
- Fiscal year 2012 – again "in the black"
- All Fisher House Project's contact Fellows are assigned and trained to assist wounded veterans' families for emergency dental needs
- Timely progress with development of Leadership Training Program for districts and state dental associations (target date Fall 2014)
- Mentoring programs (Great Expectations) have potential of growth into more dental schools
- ICD banners and flags are available for display at all events (District meetings, MOMs)
- The IT Committee is researching electronic methods to go paperless with meeting materials by the Fall 2014 Annual Meeting
- New Model District Awards – 2013 winners to be announced this Fall
- Corporate Sponsor – Initial contribution received from Coca-

Cola for International Collaborative Initiative Committee activities

- USA Section Foundation Bylaws revision now in place
- Seminars on Volunteerism are being presented in three sites. Initial two have had capacity attendance~! Thanks to Steve Mackler and his work as chair of Humanitarian Liaison Subcommittee
- Revision of both the Candidate Sponsor and Candidate Information Forms – able to be submitted electronically as of Fall 2013
- Potential purchase of building for the USA Section in Gaithersburg, MD, to ultimately reduce our annual office space costs (currently the contract of intent is under a 45 day review before a final decision/contract will be made)

One last reminder: Be sure to submit your Candidates for Fellowship soon. June 15 is the deadline for our Regents to forward completed candidate packets to the Section Office. I look forward to another impressive Convocation and dinner program to welcome our new, worthy Fellows into the USA Section.

In Fellowship,

Paul E. Stubbs, D.D.S.  
USA Section President

Please go to our website at [usa-icd.org/foundation](http://usa-icd.org/foundation) for more information. We hope to see you onboard.

Both Memorial Funds are doing great since inception over the past two years. These memorial funds still offer a very special donation gift.

- The John B. Lathrop Memorial Level of \$1,000 – Gift: Framed collection of five to six dental stamps from the late Dr. Lathrop’s personal collection. Dr. Lathrop’s stamp collection was generously donated by his wife Ruth.

- The Richard G. Shaffer Memorial Level of \$500 – Gift: Specially designed coin with Dr. Shaffer’s image on one side of the coin. The coin is packaged in a special pouch

made from our retired robes - perhaps one you wore when you were honored with Fellowship.

For cumulative levels of giving since January 1, 2012 (excluding apparel, CEC, etc.), we will be sending these newly designed ICD Foundation lapel pins that can be worn proudly.
