International College of Dentists

JUNE 2012

MESSAGE FROM THE PRESIDENT

I would like to thank all of you for the honor and privilege to serve as the USA Section President for 2012. I can assure you that your Officers, Regents, Committee Chairs, Committees, and ASP Shadow Teams are fully engaged and very productive.

The BOR approved the development of a five-year Applied Strategic Plan (ASP) at our Las Vegas meeting with Dr. Bob Frazer as our facilitator. The **Mission of the ASP** is, "To create a future of choice for the USA Section of the International College of Dentists, its Fellows and staff. Through the process of Applied Strategic Planning, the College and its people will achieve their highest potential in service to others, resulting in increased effectiveness, fulfillment, success, and significance."

Retreat I of our ASP was completed in Savannah on March 27 with a core committee of 18 members. The session was very positive, stimulating and energetic. Shadow Teams have been formed and are providing input. **Retreat II** will be held in Tyson's Corner on July 25-27. A draft of our Mission, Vision, Core Values, Goals, and Objectives will be presented to the BOR in San Francisco.

A **Membership Survey** for the ASP are being sent to 1000 Fellows for their input in the next several weeks. Fellows are being selected randomly, and it is most important that you complete the survey in a timely manner.

The **Fisher House Project** was officially initiated at Tripler Army Medical Center in Hawaii at a ceremony on Feb 3, 2012. The USA Section and the Fisher House Foundation have partnered so that volunteer Fellows can provide emergency dental care for Wounded Warriors' family members while residing in Fisher Houses across the US while their loved one is receiving medical treatment. All Fellows are encouraged to participate if there is a Fisher House in your area. Dr. Nora Harmsen deserves special kudos for her efforts.

Leadership and International Collaboration are synonymous with the ICD. Our **Leadership Initiative** has been most successful with its White Coat Ceremony, Great Expectations, and various Leadership Awards. Our **Top Five Projects for 2012** include ASP, Fisher House, Great Expectations (Mentoring Professionalism), International Collaborative Initiative (ICI), and Peace Corps dental exams.

The **ICI** was approved at last year's BOR meeting as a new Standing Committee. It includes the International Student Exchange (ISE), Global Health Student Associations (GHSA), and the Humanitarian Liaison Committee. Brochures are available for the ISE and the GHSA. The Humanitarian Liaison Committee recently completed a volunteer survey, is planning two pilot ICD Volunteer Symposiums at major dental meetings, and is developing a partnership with the ADA and their ADA/HVO Volunteer site.

The BOR approved a **Membership Initiative** to reengage our membership and encourage greater participation in our Section and local projects. An Exit Survey is being developed to provide additional input. A **District Award** will be given in 2013.

A **Professional ICD Video** was approved and is being developed by the Fellowship Orientation Program Committee and its Chair, Dr. Margot Culotta-Norton. Its goal is to passionately portray the richness and heritage of the ICD, its mission, vision, humanitarianism, and projects. The video will be filmed in San Francisco. An informative **Orientation Slide Video** is being developed in house by the Public Relations Committee to supplement the Professional Video.

An **Ad Hoc IT Committee** has been approved by the BOR. This is a very energetic and capable committee with Dr. Michael Bydalek as Chair. The committee is reevaluating all of our IT efforts and will present proposals to upgrade our IT systems. You can now follow us on Twitter@USAICD. Find us on Facebook: www.Facebook.com/ICD.USA.Section. Remember to click LIKE on our Facebook!

I am proud of our cooperative and mutually beneficial relationship with the **ICD USA Section Foundation**. I thank its President, Dr. Jim Allen and its Trustees for all of their efforts. Please see Dr. Allen's article on p. 5 for details about The John B. Lathrop Memorial Fund, the dental stamp collection which Founder-level donors receive, and other Foundation news.

I would like to thank all of our Fellows for your many contributions to the USA Section and the ICD. Your questions or concerns are always most welcome. My email address is drwmk8176@aol.com.

Sale of ICD Convocation Robes

All ICD Fellows – As many of you know, the USA Section Board of Regents voted to shift from owning our Convocation robes to renting them. The robes were put up for sale after last year's Convocation and many have been sold, but we still have a small supply remaining. The cost of the robes is \$120, which includes the shipping and handling fee. Our ICD Robes are fine-grade black poplin with velveteen trim. They have three front panels – lilac, the traditional hue of the dental profession; gold and dark green, our official College colors. There are regulation black velvet bars on the sleeves, with a three inch gold band below the bars. All robes are in very good condition. The newer robes have brighter colors on the front panels and gold sleeve band; the older robes have more subdued colors. Please indicate your preference of an older or newer robe on the order form. We will do our best to accommodate your first preference.

If you would like to purchase a robe, please use the order form below and mail form with payment to the USA Section office. We accept checks, Visa and MasterCard payments. We will process your order in November, the month following our 2012 Annual Meeting and Convocation in San Francisco. Contact Jennifer Greenville at the Section office with questions - Jennifer@usa-icd.org or phone (301) 251-8861 9-4:00 ET.

Frequently Asked Questions:

1. I have heard about organizations supporting “Lobbying Fees”. Does the ICD do this? *Absolutely not! We have posted on our website, “The International College Of Dentists, U.S.A. Section does NOT in any way use membership payments to provide funding or support for lobbying efforts.”*
2. How many members do we have in the USA Section and the Worldwide College? *The International College of Dentists is made up of 15 Sections doing wonderful philanthropic projects throughout world. Section I, the USA Section, has 6,200 members (Active, Retired, Life, and Honorary). The ICD has a total 10,475 members worldwide as of April 30, 2012.*

USA Section Foundation

Due to the growth of our corpus and an increase in the revenue stream realized by generous donations of the Fellows of our USA Section, the Foundation has continued support of outreach projects and programs in Asia, Africa, South America and here in the United States. We have helped train public health dentists in Southeast Asia, provided funding for six dental operatories at the Kikuyu Hospital Dental Clinic in Kenya, sponsored USA dental students in their exchanges to Dental Schools in South America and Europe, and supported numerous programs in the United States, including Dental Journalism Awards, and White Coat ceremonies. In 2011 the Section also established the Fisher House Project - ICD Fellows volunteer to provide free emergency care to the families of wounded warriors should a dental need arise while the family member is residing in a US Fisher House awaiting the treatment of their wounded warrior relative.

Dr. Jim Allen
Foundation President

It has been my privilege this year to announce the creation of The John B. Lathrop Memorial Fund. Many Fellows remember John for his love and devotion to the International College of Dentists. He served in many leadership positions including USA Section President and Foundation President. He was also an avid collector of dental theme stamps from around the world. John’s widow, Ruth Lathrop, has generously offered to donate this collection of over six hundred stamps to the ICD. The first one hundred contributors of a thousand dollars or more will be designated as “Founders” of The John B. Lathrop Memorial Fund. Please consider including this in your charitable program this year. Our website will list Founders names. In addition Founders will receive a beautifully framed set of five or six stamps from the Lathrop worldwide dental stamp collection as a token of our appreciation. Please refer to our website at www.usa-icd.org/foundation or contact the ICD USA Section Office at (301) 251-8861 for more information.

The Foundation will soon be offering ICD Logo clothing and other items. Please look for more information to be posted on the website in the near future at www.usa-icd.org/foundation.

The year 2012 brings a clarification and recommitment to the relationship between the USA Section and the Foundation. This understanding will allow the Foundation to offer greater support for programs and initiatives of the Section. Our Constitution and Bylaws have been updated by our attorneys, and I can tell you our horizons have never been more exciting.
