## Message from the President

This has been a fun and exciting year to this point. It is always a pleasure to have the opportunity to attend various Section meetings and to see old friends and meet new ones. This Spring was busy visiting the component state meetings of my home District 11, and in August I will be attending the Southwest Texas Dental Meeting in Dallas.

Our annual Spring Board meeting was held April 14-18 in San Diego, at the Catamaran Hotel on Pacific Beach! The location, facilities and weather were all perfect and the meeting was a great success. This is another indication of how well your ICD is running now due to the hard work of so many over the past few years. Our financial situation continues to improve, due in large part to the close supervision of our Treasurer Dick Smith, as well as the close

alignment between the Foundation and the ICD.

The continued achievement of our Applied Strategic Plan is demonstrated in the ever-changing and improving level of functionality of the organization. This was the first meeting using our new committee structure and I am pleased to see that overall it is working as intended. I am sure that we will make some changes as we move along, but the much more congruent alignment of programs under each committee has definitely improved their focus.

We continue to move further into the electronic “paperless” world and this is the first year where all of the Candidate Process from nomination to final vote, can be done electronically. We are in the final throes of competing all of the voting for this year’s Fellowship class and I continue to be impressed by the quality of Integrity, Leadership, and Service that the Candidates have demonstrated. The future is in good hands. I want to thank all of you who sponsored a new Candidate for the 2015 class and to remind you that now is the time to start thinking about who you think deserves to “SHARE THE HONOR” as a Candidate for the Class of 2016. If you sponsored someone who will be in this year’s class, I hope that you will join us

in Washington, DC on November 5 and 6 for their Convocation and Dinner Dance. I am sure that this would mean a lot to them.

I want to again mention what a privilege it is to be in a leadership position of an organization composed of leaders. The hard work of our Section Office staff, my fellow officers and the Board of Regent members, the Vice Regents and the Deputy Regents, as well as the Foundation’s Officers and Board, make my job easy. I want to encourage any of you who have an interest or an opportunity to serve in any position in the ICD to do so. I am sure that you will find it as rewarding as I have. I’m looking forward to seeing you in Washington, DC and in Colonial Williamsburg next Spring where we will be meeting in a joint session with the ACD as well as the PFA. We will have separate Board meetings but will join for C.E. and social events. This should be a great meeting in a wonderful, history-filled location.

In Fellowship,

**W**e have been very busy this year so far. Our new website is engaging and interactive. The new on-line Candidate Nomination Process is a real move into the computer age for the staff and our Fellows. With the new website, if you have not perused it yet, please set up a new personal password, login, and enjoy. You will be seeing the website capabilities grow as the year unfolds...very progressive.

Since the Annual Session will be held in Washington, DC this year, you will be nearby and may want to stop in and see our new office in Gaithersburg, Maryland; please let us know. We will be there the week before and the week after the annual events and would love to show you around.

Hold the dates of April 5-9, 2016, when we will be having our Spring meeting next year in the beautiful and historic Williamsburg, VA. We will be joined by the Fellows

from the American College of Dentists and the Pierre Fauchard Academy. We will offer CE programs on both Friday and Saturday; and, of course, the tourist opportunities in this area are endless.

Respectfully,

Carol I. Turner, D.D.S.

You will clarify what matters most in each of these dimensions of your life — both as a whole person and as a committed professional. A central

theme will be the values-based, principle-centered life of success with significance. You will learn the six styles of star leaders and the five practices of exceptional leaders. And, you will be challenged to create a strategic vision of the best you and your organization can become. ICD Fellow Dr. Bob Frazer will have you laughing and perhaps even shedding a tear as he shares some of his life's trials and triumphs toward a life well lived.

# ICD-USA Section Foundation Message from the President

The Board of Trustees (BOT) had a very productive meeting in San Diego on April 15, 2015. The meeting was held during the semi-annual Spring Meeting of the USA Section. I thank our BOT for their hard work and extend a special thanks to all of you for your generous support of the USA Section Foundation.

The **Century Club** was launched last year with invitations to the Board of Regents and the Board of Trustees and both have responded with 100% support. It is now being introduced to all of our US Fellows. These funds will provide additional revenue to support the humanitarian and educational projects of the Section and the Foundation.

Century Club Fellows will be included in the Lathrop and Shaffer Memorial Funds when those donation levels are reached. They will receive a Lathrop Stamp Collection while supplies last and a Shaffer Memorial Coin. Fellows will be included on a Century Club Plaque in the Foundation Office and will be listed in the **KEY**, and on the website. Century Club Fellows will also receive a distinctive recognition pin. An application and additional information is available on the Foundation website at [www.usa-icd.org/foundation](http://www.usa-icd.org/foundation).

The Foundation has agreed to sponsor a motivational speaker for the new Fellows and their families prior to the **Fellowship Orientation Program** (FOP). Our first presenter will be Dr. Robert Frazer, who will speak on “**Life,**

**Leadership, and Legacy.**” Dr. Frazer is a Fellow of the International College of Dentists, an expert on Applied Strategic Planning, and a national and international lecturer.

I would also like to thank Dr. and Mrs. Chuck Simons for their generous gift of \$100,000 to the Foundation over a 10 year period. \$8000 will be used each year to support the Section's FOP. This is a leadership gift that is most appreciated.

Dr. Frank Serio will receive the **ADA Humanitarian of the Year Award** at the Opening Session of the ADA in Washington, DC. The Foundation will contribute \$5000 toward his award, which will be used to help fund his Dominican Republic Mission Program. Dr. Serio started this program over 33 years ago and lectures extensively for the Section's Program on Volunteerism in Dentistry, which is funded by the Foundation.

The ADA will hold a **Mission of Mercy** in Washington, DC following the ADA Meeting. We are proud that so many Fellows give generously of their time and talents to treat these deserving patients. The Foundation is contributing \$1000 in support of this event.

The BOT has approved the new position of **Foundation Ambassador** to develop relationships with our corporate colleagues and secure future financial support for the Section and the Foundation. Dr. Jack Clinton will serve as our first Ambassador. Dr. Clinton is the Dean Emeritus of OHSU Dental School, a Past President of the USA Section, and has chaired a very successful fundraising effort for the new Oregon Dental School.

The **Student Humanitarian Award** was offered for the first time at US Dental Schools. The Award parallels the Student Leadership Award. This USA Section Award may be given to a senior Dental Student who best exemplifies altruistic leadership in promoting and supporting humanitarian efforts in the

USA and throughout the world. We thank Dr. Bill Hunter for supporting this program for 10 years with his generous donation of \$28,000.

The **KEY ROOM** is having a banner year and continues to add new merchandise with the ICD Symbol or Logo requested by our Fellows. Special orders are also welcomed! Mrs. Angela Grant, our administrator, is happy to assist with individual purchases. Her email address is [angela.foundation@usa-icd.org](mailto:angela.foundation@usa-icd.org). You can also access the KEY ROOM online at [www.usa-icd.org/foundation/key-room](http://www.usa-icd.org/foundation/key-room).

I thank Dr. James J. Conrardy and Dr. Ronald J. Paler for arranging an excellent Continuing Education Program following the San Diego Meeting on April 17-18. Captain Gerald T. Grant, DC, USN, a Maxillofacial Prosthodontist, gave an outstanding presentation on “Current Trends in the Use of Advanced Digital Technologies in Patient Care and Treatment.” Dr. Gregory W. Petersburg an Osteopathic Physician, gave a very motivating seminar on “Living Younger: The New Art of Dentistry.”

The BOT has approved a motion to increase our grants from 30% to 40% of received donations. Our new grant request procedures have been simplified and are available online. The Foundation has a great story to tell, and we are most appreciative of your continued generosity, service, and leadership.
