

INTERNATIONAL COLLEGE OF DENTISTS  
UNITED STATES OF AMERICA SECTION  
2015

Dr. Dexter E. Barnes  
President  
International College of Dentists  
USA Section

Dr. Dexter Barnes, who goes by Deck, was born in Seattle, Washington in 1943. His family moved to Eugene, Oregon for his Junior and Senior High School years. He then returned to Seattle where he attained his BS Degree and his DDS degree from the University of Washington in 1969.

He and Mary Ann married in 1967, between his second and third year of Dental School. They are the proud parents of four grown children: sons Shannon, Bryce and Brett and daughter Lindsey, and proud grandparents of eight. They are long time members of Shoreline Community Church where Mary Ann served as the Director of Women's Ministry for many years and Deck served two terms on the board. Mary Ann also led a Campfire group beginning with age five Bluebirds all the way to the Wo He Lo Awards (the equivalent of the Eagle Badge in Scouting).

A member of the ADA as well as the University of Washington Dental Alumni Association and Class Representative since 1969, Dr. Barnes has served as President of the Dental Alumni Association (1973), the Washington State Dental Association (2007-2008) and the Washington Oral Health Foundation (2013-2014). He has also served as Chairman of the annual Dean Ernest M. Jones Memorial Lecture since 1979. He has received the Distinguished Alumnus Award from the University of Washington Dental Alumni Association (1998) and the Presidents Award from the Washington State Dental Association (2013).

Dr. Barnes continues his full-time general dental practice in downtown Seattle with no plans to retire and wants to give special recognition to two of his mentors and very close friends who have both served as President of the ICD USA Section: Dr. Jack Clinton (2011) from Portland, Oregon and the late Dr. Donald E. Compaan (1999) from Seattle.

Dr. Margaret M. Culotta-Norton  
President-Elect  
International College of Dentists  
USA Section

Dr. Margaret Culotta-Norton (Margot) is a native Washingtonian. She attended Merrimack College prior to receiving her DDS degree from Georgetown University School of Dentistry in 1979. Upon graduation she was commissioned as a Lieutenant in the US Naval Reserves. While stationed in San Diego, Margot married her loving husband, Bob. They have three grown children, David, Mark and Meghan.

In 1982, after completing her Navy obligation, Margot moved back to Washington, DC to join her father, Dr. Anthony P. Culotta, in his practice where she has been for 33 years. That same year she returned to Georgetown as an associate clinical professor. She has also served on the Dental Alumni Board. In 2010, she was awarded the Apollonian Alumni Award for her service to the Georgetown Alumni Association.

Throughout her career, Dr. Culotta-Norton has established a distinguished history of professional and service involvement. In 1999 Margot chaired the District of Columbia Dental Society's Nation's Capital Dental meeting and subsequently became the Society's President from 2001-2002. Margot has been an ADA Alternate Delegate and she was a member of the ADA Local Arrangement Committee in 1997. In 2008, she received the Sterling V. Mead Distinguished Service Award for her dedication to the DC Dental Society and her profession. Giving back to the community is a priority for Margot. She participates in several service programs including GKAS, Donated Dental Services,

Missions of Mercy, and the Archdiocesan Healthcare Network in Washington, DC, for which she received the group's Pro Bono award in 2009.

In 1997, Dr. Culotta-Norton was asked to "share the honor" and became an ICD Fellow. Margot also enjoys Fellowships in the American College of Dentists and the Pierre Fauchard Academy.

Margot and Bob celebrated their 35<sup>th</sup> anniversary in 2015! They love to ski, travel, and spend time relaxing at their beach house in Delaware with family and friends, especially when their two sons and daughter join them.

Honorary Fellow  
Jennifer Greenville  
International College of Dentists

After receiving her B.A. from Salisbury University, Ms. Jennifer Greenville held various positions including Election Specialist for the City of Rockville, Systems Development Specialist for CDSI, an Office Manager for the law firm of Feldman and Fitzpatrick and a Marketing Representative for SAMNA Corp.

Jennifer joined the ICD USA Section Staff in 2006, as an Administrative Assistant and has continually looked for new and better ways to streamline ICD systems and processes. She manages the New Fellow online process, processing of dues payments, assisting with updates on the website, manages the spring and annual meeting event registrations, processes and orders all onsite materials for the annual Convocations, works closely with the Convocation Committee each year to ensure the Induction is a wonderful experience for each new Fellow, assists with the planning and onsite execution of all meetings and events, works with the Journalism Awards Committee, and is an editor for the KEY-Notes and KEY-Mail.

Ms. Greenville's attention to detail is stellar and her commitment to do what it takes to get a job done for a project or program to be successful is exceptional. Her professional and easygoing ability to work with the ICD Members has endeared her to so many of our Fellows and Staff.

Despite her busy work life, she always maintains a strong commitment to her family. Along with her husband, Steve, Jennifer is actively involved in the school and extracurricular activities of their two high school daughters, Kaitlin and Julianne, who attend Georgetown Visitation. Ms. Greenville has coached girls' lacrosse and basketball for the Montgomery County Lacrosse League, the City of Rockville, and the Catholic Youth Organization and coordinated the Woodley Gardens Swim Team. She also enjoys her Golden Retrievers Sandy and Daisy, reading, gardening, cooking, and skiing.

Camille Kostelac-Cherry  
Honorary Fellow  
International College of Dentists

Camille Kostelac-Cherry, Esq., has served the Pennsylvania Dental Association as its Chief Executive Officer since April 1994. Ms. Kostelac-Cherry has over 30 years of experience in association management which she applies to the management of 18 staff members, a 40 member for-profit subsidiary business, and an annual budget of \$3 million. Her leadership has resulted in a more efficiently run, fiscally sound and effectively managed association.

A native of Harrisburg, Ms. Kostelac-Cherry received her law degree from the Dickinson School of Law in 1983. Her undergraduate studies were completed at Indiana University of Pennsylvania; graduate studies were done at Georgetown University.

She is a member of numerous nationwide and statewide professional associations and also serves on the boards of, or holds a leadership capacity for, several businesses and

non-profit organizations. Ms. Kostelac-Cherry is an experienced speaker and has developed curriculum for countless continuing education programs, professional seminars and keynote addresses.

Camille and her husband, the Honorable John F. Cherry, have two sons, John, age 40, and Vincent, age 26.

Imtiaz Manji  
Honorary Fellow  
International College of Dentists

Imtiaz Manji, has been an inspiring voice in the dental community for over 30 years. As founder and CEO of four successful dental-related businesses, he has provided a unique vision and guided strategy for companies that have seen phenomenal growth. As a leading thinker in dentistry, he has worked as a strategic advisor for executives and sales teams at several national and international dental companies. Most of all, as an educator and advocate for great dentistry, he has motivated thousands of dentists with practice management and leadership insights that allow them to get the most from their careers and to provide the best care possible to the greatest number of patients. He is currently the Chairman of Spear (formerly Scottsdale Center for Dentistry, which he founded) where he continues to devise and support new business strategies and to drive client success through innovative services and programs. Imtiaz keeps that passion alive by staying connected with dentists at the grassroots level—through speaking engagements, online video courses at Spear, and popular blogs. It's a passion he has passed along to his sons, both of whom have become leaders in the dental world in their own right.

Imtiaz is also passionate about doing good while doing well. As part of his life philosophy of celebrating abundance and sharing prosperity, he has always supported charitable efforts and for years he was looking for the right way to combine that spirit of philanthropy with the industry he knows and loves. He came to be instrumental in the founding of the Open Wide Foundation, using his influence and access to resources to

help launch this non-profit organization, whose mission is to bring dentists to places where quality dental care is desperately needed.

The foundation opened its first clinic in 2012—a soon-to-be self-sustaining facility in Peronia, Guatemala—outfitted with equipment donated by dental suppliers, and staffed by a rotating roster of volunteer dentists. There are now seven more satellite clinics in outlying rural areas (with more to come), and a mobile unit—all this in an area that a few years ago had no dental facility, equipment, or accredited dentists. As Imtiaz likes to say, it's a great example of how great things can happen when dedicated people come together in service of a common cause.

Imtiaz divides his time between Scottsdale, AZ and Vancouver, BC.

Dr. William R. Clitheroe  
Presidential Citation  
International College of Dentists

The late William Raye Clitheroe, DDS was born in Beaumont, Texas on August 16, 1932 and died surrounded by family on June 4, 2014, after a brief but valiant battle with cancer. “Billy Raye” graduated from Pasadena High School in 1950, he attended Southwest Texas State and graduated from the University of Texas Dental Branch in Houston in 1957. After graduation he entered the US Army as a 1st Lieutenant in the US Army Dental Corps. Following his service in the US Army, Dr. Clitheroe returned to Houston in 1959 to begin his private dental practice. He was a beloved family practitioner until his illness.

Dr. Clitheroe was a member of the ADA, TDA, Greater Houston Dental Society and the American Association of Dental Insultants. He was a Fellow in both the American and International College of Dentists and held leadership positions at every level of organized dentistry. Dr. Clitheroe organized and chaired the Endowment Fund for the

University of Texas Dental Branch and was a mentor to many dental students and dentists over the years. He was also a Past President of the alumni associations of SWTSU and UTDB Houston. He was a member of the Episcopal Church of the Epiphany. He received the Outstanding Alumnus Award as well as Distinguished Alumnus Award from the University of Texas Dental Branch.

Billy Raye was also an avid mariner, enjoying many happy hours with his friends on the water. He is survived by his wife of 57 years, Sara McConnico Clitheroe; son R. Lee Clitheroe, DDS, FICD, and wife Debbie of Missouri City TX; daughter Dr. Carrie King and husband Dr. Ricky King of Ft. Worth TX; son Dr. Scott Clitheroe and wife Jen of Austin TX. Granddad Bill was proud of his wonderful grandchildren, Jenny, Jimmy and Patrick King; Justin, Tori and Will Clitheroe.

Dr. John V. Hinterman  
Master Fellow  
International College of Dentists

Dr. John V. (Jack) Hinterman, DDS has been the Secretary General of The International College of Dentists since 2011. Dr. Hinterman has been an ICD Fellow since 1978. He was previously ICD's international editor for six years. His long-time experience in dental association leadership positions prepared him well for these duties.

As Secretary General, Dr. Hinterman manages the professional and business affairs of The College from its international headquarters office in Flint, Michigan, USA. He sees that the policies and decisions of the worldwide governing body of ICD, and The International Council, are carried out. Secretary General Hinterman represents ICD around the world to the dental profession and to the public. The College has

experienced remarkable international growth and development during these years. As ICD's international editor, Dr. Hinterman expanded the scope of ICD's flagship publication, *The Globe* and introduced the electronic newsletter, *The College Today*.

Dr. Hinterman practiced general dentistry in Flint, Michigan, USA for 40 years. During those years he was a dental editor and a leader of many dental associations. He was the editor of *The Journal of the Michigan Dental Association*, and later served as MDA president. He was a member of the Board of Trustees of the American Dental Association and chaired the ADA's first Strategic Planning Committee. He has since been named Alumnus of the Year by the University of Detroit Mercy School of Dentistry. He received the highest honor of the Michigan Dental Association, The Nolen Meritorious Award. He holds membership in other honorary societies including Omicron Kappa Upsilon.

Dr. Hinterman and his wife, Carol have four children and eight grandchildren. His hobbies include boating, golf and running.

Dr. Leighton A. Wier  
Master Fellow  
International College of Dentists

Leighton A. Wier, DDS was the 75<sup>th</sup> President of the USA Section in 2009, and the first Texan to hold the office. Dr. Wier is a fifth generation Texan from San Antonio. He received his DDS from the University of Texas Dental Branch, Houston in 1968. After serving two years in the US Army Dental Corps he opened his dental office in San Antonio with an emphasis on restorative dentistry. He has practiced for 44 years.

Dr. Wier has been a Fellow in the ICD since 1984. He served as President of the ICD Texas District in 1992 and as District 15 Deputy Regent from 1992-1997. After serving as Vice Regent from 1997-2002, he was District 15 Regent from 2002-2006. He was elected Vice President in 2007 and President Elect in 2008. Following his year as USA

Past President, he was elected as a College Councilor in 2010 and currently serves as the Chair of the USA Delegation. He has served on the ICD USA Foundation Board of Trustees since 2011.

He has been editor of several organizations including the San Antonio District Dental Society, the Texas AGD, and Xi Psi Phi Fraternity for 18 years. Leighton has been on the Editorial Advisory Board of the Texas Dental Journal for 16 years and is Editor Emeritus of Xi Psi Phi Fraternity. Dr. Wier has been President of the San Antonio District Dental Society, President of the Texas Academy of General Dentistry, President of the American Dental Interfraternity Council, Supreme President of Xi Psi Phi, and Vice President of the Texas Dental Association. He was an ADA Delegate and Alternate for 10 years and TDA Delegate for 15 years. Leighton served on the TDA Council on Annual Sessions for seven years and chaired the TDA Annual Session twice.

His honors include the Hamilton Young Award of Xi Psi Phi (1996), Texas Dentist of the Year (2000), San Antonio Dentist of the Year (1982, 1989, 2000), the first Joseph Swartz Outstanding Alumnus Award from Xi Psi Phi Fraternity (2013), and University of Texas School of Dentistry at Houston 2014 Alumnus of the Year. Leighton and Linda, his wife of 47 years, have three children, Matt, Brad, and Mary Beth, and two granddaughters, Leighton and Georgia Ferguson.

Dr. D. Gregory Chadwick  
Outstanding Dental Leader Award  
International College of Dentists

D. Gregory Chadwick, DDS, MS serves as Dean at the East Carolina University School of Dental Medicine. Formerly he served as Associate Vice Chancellor for Oral Health at ECU where he led the effort to establish the dental school.

Dr. Chadwick, a native of North Carolina, received a BS in business administration from the University of North Carolina at Chapel Hill. After graduating from the UNC School of

Dentistry he practiced general dentistry in Community Health Centers in Prospect Hill and Moncure, North Carolina before entering a residency program in endodontics. He earned an MS in endodontics from the UNC School of Dentistry and subsequently practiced endodontics in his hometown of Charlotte for almost thirty years. He is a former president of numerous dental organizations including the American Dental Association and the North Carolina Dental Society.

A Diplomate of the American Board of Endodontics, he served for 18 years as a part-time clinical professor at his alma mater and for 14 years as chair of the endodontic section at Carolinas Medical Center, where he served on the faculty for over twenty-five years.

Dr. Chadwick and his wife, Knox, have two adult children, Stephen who is in a Pediatric Dentistry Residency Program, and Jane who is finishing a Periodontics Residency Program.

Dr. Stephen B. Mackler  
Humanitarian Award  
International College of Dentists

Stephen B. Mackler, DDS, MS has been very involved during his entire professional career with local and international humanitarian activities. He was a leading force in the establishment of the first dental medicine service at Moses Cone Memorial Hospital in Greensboro, NC. This was only the third dental medicine program established in North Carolina outside of the dental school at Chapel Hill.

Dr. Mackler usually gives one month a year to international volunteering, including teaching and treatment. As a member of the American Dental Association Health Volunteers Overseas Committee for six years, Dr. Mackler was instrumental in establishing and directing three new programs in Zimbabwe, Bangladesh and Moldova.

He has also volunteered in Bolivia, Romania, Ukraine and Latvia. Dr. Mackler is active in Rotary International and helps facilitate programs for dental students in Malawi, Mexico, and Honduras.

Dr. Mackler was instrumental in initiating and coordinating an exchange program between the North Carolina Schools and Universities developing program relationships in geriatrics, plastic surgery, pediatrics, physical medicine, pharmacy, nursing, and general surgery. Dr. Mackler was one of four founding members of Jewish Healthcare International in 1999, a partnership between Jewish communities in the US and the government of Israel, to provide access to health care for indigent Jewish and non-Jewish communities throughout the Former Soviet Union. To date, volunteers have provided medical and dental lectures to over 15,000 health care professionals in these countries.

Dr. Mackler serves as a consultant to the Committee on International Development and Affairs of the American Dental Association and is a consultant to the United States government, the National Guard Bureau for State Partnership Programs, which pairs the 50 states in the US with 50 developing countries around the world.

Dr. Mackler is a current chair with the International College of Dentists, Humanitarian Liaison Committee tasked with developing and supporting volunteerism. There have been 4 half-day seminars a year since 2012 and 16 seminars to date. Dr. Mackler's hobbies include cycling, reading, and traveling.

**2015 SIGNIFANT EVENTS**

- 1) Chronicles of Leaders in Dentistry Audio-Visual interview series digitalized and on University of Michigan YouTube channel.
- 2) The 2015 USA-ICD International Student Exchange Program facilitated opportunities to experience dentistry in another country for 56 USA students, similar numbers of foreign students, and many faculty from the fifteen countries which participated. Our name change to International Student Experiences will allow USA-ICD to involve more students in future years and highlight the service component of dentistry as we include mission-style trips.
- 3) International College of Dentist's Global Health Student Association chapters continue to educate and introduce Global Health concepts to hundreds of dental students. These two dental student programs provide leadership experiences on local and international levels for our future ICD Fellows.
- 4) Increasing programs and assistance headed by Stephen B. Mackler. Work on the establishment of a working group with ADI, the ADA and the ICD in making a conjoined depository for doctors looking for Humanitarian volunteering programs and locations.

Inductions list of New Fellows and the Necrology report is in THE KEY.
