International College of Dentists

The ICD College Office is in the position of needing to move a significant amount of free Personal Protective Equipment to US-based charitable and humanitarian missions in the next month. The donation is from our strategic partnership with the Henry Schein Cares Foundation and the ICD Global Visionary Fund. To qualify, the mission must be staffed or supported by at least one ICD Fellow, it must provide pro bono care (FQHC's do not qualify unless the donated products are used exclusively for free care), and an ICD Fellow must take responsibility to see that the donated products are used in this manner.

The PPE has been divided into 30 "kits", each made up of 15 warehouse pallets of supplies. This would fill about ½ of a trailer truck. Each kit contains the following shields, gowns, coveralls and masks:

HS Item Code	Description	Unit Measure	Quantity
1382431	DISPOSABLE FACE SHIELD	100/BX	16 boxes
1382202	UNIFLEX DISP FACE SHIELDS	50/BX	32 boxes
1381861	PRO-SAFE FACE SHIELD	100/BX	96 boxes
1381583	ISOLATION GOWN PP+PE WHIT	100/CA	78 cases
138-1312	Coveralls Medium	48/ca	2 cases
138-1313	Coveralls Large	48/ca	6 cases
138-1315	Coveralls x-large	48/ca	2 cases
138-1736	L2 Masks (New item)	20/bx	100 boxes

Time is short, so the kits cannot be divided or changed. You may order as many kits as you need or want. There is no charge for shipping, these donations are completely free of charge, courtesy of Henry Schein Cares. The donations will be fulfilled on a first-come, first-served basis until the allotment is completely gone. The deadline to apply is September 15, 2021.

Apply by email to office@icd.org with the subject line "GVF PPE Donation". Include the name of the charity and its US tax ID number; the name of the ICD contact for the mission with a phone number and email address; if different, the name, phone number and email address of the person receiving the donation; and the delivery address of the donation.
