### **AUTHORITY TO GOVERN**

The USA SECTION is governed by the Constitution and Bylaws of the COLLEGE, the Bylaws of the SECTION and The Certificate of Incorporation (Incorporated in Washington, DC, 1928] (Article I).

### **MEMBERS OF THE BOARD OF REGENTS**

Specific duties for OFFICERS are in Bylaws Article VI. Specific duties for REGENTS are in Bylaws Article VIII and Article X. Additional guidelines:

1. Attend each Board meeting unless excused by the President; make arrangements for the Vice Regent to attend in his/her absence
2. Maintain custody of the Regent's Medallion and wear it at meetings of the SECTION and the COLLEGE, where appropriate
3. Make recommendations on nomination for Regent and Vice Regent, and on appointment of Deputy Regents
4. Notify the Section Office of deaths of members of the COLLEGE, the next of kin and the date of death
5. Submit Annual Regent's Report forty-five (45) days prior to the Board of Regents meetings in a format shown in Bylaws Article VIII, Section 7
6. Maintain liaison with the Vice Regent and each Deputy Regent in his/her District rendering any assistance in the work of the SECTION or COLLEGE
7. Ensure that each officer in his/her district is fully indoctrinated of his/her duties

### **ELECTION POLICIES** [Governed by Bylaws Article XI]

1. Any Fellow may be nominated for the position of President-Elect or Vice President. (24/18]
2. The rotation policy for Regents shall be periodically reviewed by the Board of Regents.
3. In districts composed of more than one state, the Vice Regent is usually chosen from a state different than that of the Regent.
4. Although a slate for Officers, Regents, Vice Regents and Councilors is proposed from the Nominating Committee, nominations from the Floor may be made.
5. Prohibits ICD USA Section Officers or Regents as a group from supporting any candidate for political office in other organizations.

### **MEETINGS OF THE BOARD OF REGENTS**

#### **Regular or Annual Meetings and Special Meetings.**

The Board of Regents shall hold an annual meeting prior to the American Dental Association Annual Meeting. Special Meetings of the Board of Regents may be called in accordance with Article VIII Section 4, and Article IX.

### **CONVOCATION / INDUCTION CEREMONY**

The Induction of new candidates into Fellowship occurs at the Annual Meeting. Each candidate will be given certain documentation and jewelry for the COLLEGE as noted in Article XIV, Section 2a.

A Fellowship Orientation program is held the evening before induction, followed by a social hour.

An honorarium, as negotiated by the Registrar, may be given to the selected speaker for the Convocation.

Seating arrangements for the Dinner Dance is on the rotational basis by district in relation to the Head Table.

The Convocation Committee, an Operational Committee composed of up to four (4) couples, will receive monies as explained in the Section on Finances, Standing Rules page 2.

### **THE PRESIDENT'S RECEPTION**

A reception will be held honoring the President of the USA SECTION. Attendance will be by invitation.

### **VICE AND DEPUTY REGENTS' MEETING**

The President Elect will host a business meeting which is held during the Annual Meeting for Deputy Regents and Vice Regents, to discuss USA Section procedural concerns. No substitutes are invited except with the Registrar's permission.

### **PRESENTATION OF AWARDS**

The Distinguished Deputy Regent Award is presented at the Board of Regents meeting by the USA Section Foundation. The presentation of Honorary Memberships and Masterships are performed at the Convocation. No more than four (4) Honorary memberships (one from the technology sector) and two (2) Masterships are current limits. This may be changed upon recommendation of the Awards Committee and approval of the Board of Regents. The Outstanding Dental Leader Award and Humanitarian Dental Leader Award are presented during the Dinner Dance program.

### **POLICIES OF FINANCIAL OPERATIONS**

It is the general policy to provide at least partial reimbursement for travel and per diem to those conducting SECTION business. This depends on available funds, proper documentation and authorization.

The basis for reimbursement is round trip coach airfare or private vehicle travel at the IRS-allowed rate, not to exceed the coach fare. (It is understood that the lowest airfare will be sought.) Two nights lodging plus \$100 ground travel fee will be paid. Proper documentation for reimbursement is required prior to payment.

The reimbursement expenses given to the President, Vice President, President-Elect, Treasurer, Editor, and Deputy Registrar are posted in the yearly budget.

Each Regent will receive an amount approved by the Board to cover administrative expenses in his/her District. This is given in January of each year.

Section I Committee Chairs who are not members of the Board of Regents and do not receive reimbursement from other sources will receive two (2) nights lodging, travel reimbursement and ground transportation for attendance at Board of Regents meetings.

The International Council Delegation Chair for Section I will receive three (3) nights lodging, travel reimbursement and ground transportation for attendance at Board of Regents meetings.

Councilors will divide equally the budgeted amount allowed by the Board to attend the International Council meetings held outside the United States.

Each Convocation Committee couple receives:

1. Round trip coach fare and ground transportation.
2. Four (4) nights lodging, to include the night of the Annual Dinner Dance.
3. Reimbursement for meals in a lump sum as determined by the Finance Committee.

All budgetary needs and expected expenditures for the coming year will be forwarded to the Finance Committee at least forty-five (45) days prior to the Annual Board Meeting. Exceptions may be allowed by the Treasurer.

The International Council President, when a member of Section I, will be provided a stipend to defray expenditures incurred during his/her year in that position. The stipend will

be recommended by the Treasurer/Finance Committee and approved as part of the budget by the Board of Regents.

Investment policy is established by the Board of Regents. Approximately fifty percent (50%) of the reserve funds shall be prudently invested at the highest possible interest rate. The other 50% shall be invested at the highest possible rate in government-guaranteed instruments which best benefit the USA Section's needs.

### SECTION OFFICE OPERATIONS

The Registrar is totally responsible for implementing all policies of the Constitution, Bylaws and the Board of Regents for the efficient operations of the administration of the SECTION.

The duties of the Registrar as they relate to the operation of the Section Office are noted in Article VI, Section 4e.

Corporate minutes of all Board of Regent's meetings will be maintained in a separate log in the Section Office.

The Section Office will attempt to formulate and assist in the travel plans of the President if he desires. A copy of all invitations for presidential visits should be forwarded to the Section Office.

The Section Office is authorized to hire specific help as necessary (i.e. for publications, mailings, etc.)

The Section Office will maintain an inventory of all real property and obtain insurance to cover items.

The Section Office will assist in the Budget formulation process along with the Treasurer, any Committee Chair with a financial request, and the Finance Committee. The Budget will be presented to the Board of Regents by the Chair of the Finance Committee.

The Section Office will distribute email lists and/or mailing labels to Regents and Deputy Regents upon demand at no cost.

Unlike the Officers' medallions which are passed along, the Regents', Vice Regents' and Deputy Regents' medallions may be kept, passed along or returned to the Section Office. Ideally medallions should be presented at the first meeting after the term commences for the member in a leadership role. It should be presented by the outgoing leader or an officer higher in the chain of leadership.

Officers and Regents of the Section are provided stationery at no cost. The Section Office will order and stock generic stationery for others. Orders can be in increments of 100 sheets; reimbursement must be made to cover costs. Constituents can then "print over" the generic stationery. Alternatively, the electronic ICD logo and key symbol may be requested and used to print local ICD stationery.

The Section Office can provide all accounting and financial procedures.

The Section Office will prepare, mail, and collect all national and state dues, as well as Foundation donations, by computer-generated statements.

The Section Office will forward to each state treasurer checks for state dues collected, in March, in July and in November.

### COMMUNICATIONS PROCEDURE

All Section communications coming to the Section Office will be answered along the same chain of correspondence as it was received, attempting to keep all interested individuals informed by copy.

  - b. Requests for program support for humanitarian outreach are received by the committee and are evaluated as to their needs, logistics and the potential of doing the most effective service for the greatest number of recipients, with the primary focus on aiding the underserved and those that are deprived of basic dental care.
  - c. Project recommendations are presented to the Board of Regents for their approval. After approval, the chair composes a grant proposal to the USA Section Foundation for funding.

- d. Progress reports of the projects will be periodically submitted from project leaders to the Committee to allow monitoring of the progress of the program initiatives insuring that the goals are being met.
- e. Shall provide Brand for the International College of Dentists, giving direction and purpose for potential and existing members.

## **MEMBERSHIP**

Duties shall fall into two areas of responsibility:

1. Duties related to Fellowship Recruitment:
  - a. Make recommendations to the BOR to assure quality and balance of representation among the members with particular attention to standards of candidate acceptance, age, geographic distribution, and diversity.
  - b. Review and assess the nomination and induction process including the ease of use of the USA-ICD website technology.
  - c. Establish and review the protocol for the Regents and Officers in approving or rejecting candidates for Fellowship.
  - d. Make recommendations relative to role of the ICD website in providing appropriate and attractive information for prospective candidates.
  - e. Educate members concerning methods for candidate solicitation, including the development of formatted letters, email, website information, and power-point technology, as solicitation tools. Promote the use of the "Share the Honor" DVD.
  - f. Promote appropriate use of the ICD brand including any merchandise carrying the ICD logo in order to increase the College's profile.
2. Duties relative to Fellowship Retention:
  - a. Develop methods to improve the value of Fellowship, including increasing the membership's awareness of the leadership and service projects of the ICD.
  - b. Promote the ICD Foundation as it relates to the value of Fellowship. Emphasize the recognition of Foundation donors as a method of creating "ownership" in the College.
  - c. Develop methods to recognize Fellows who participate in ICD projects at all levels.
  - d. Encourage districts to increase the number of Fellows in local leadership positions through the use of more state office positions, including the position of District or Chapter "counselor."
  - e. Collect and analyze data relative to membership retention and attrition, and make recommendations to the BOR accordingly. Conduct annual exit interviews to better understand why Fellows choose to leave the ICD.
  - f. Development and promotion of media methods to promote ICD service projects at the Section and District level.
  - g. Periodically survey members relative to their interest in ICD activities and their personal service preferences and report those findings to the BOR.
  - h. Receive and review applications for the "Model District Award", and forward approved applications to the Awards Committee for action.
3. The *Membership Recruitment and Retention Manual* shall be reviewed and updated annually by the Membership Committee to reflect current Section policy on recruitment and retention and shall include a page with hyperlinks to the most current version of: Section I Bylaws and policies, ICD-USA staff members with their

emails and areas of responsibility, Board of Regents members and their contact information, membership goals for each District, suggestions to add value for members with a sample Certificate of Appreciation, and guidelines for a Fellow to relocate from another Section in the world to Section I. Updated versions of the *Manual* shall be placed on the website and also sent via electronic means to all Officers, Regents, Vice Regents, and Deputy Regents, as well as to any of these individuals who have not received the most current version. Hard Copies will be made available upon request for the cost of printing and shipping. [BOR 5/2019]

## **Outstanding Dental Leader Award**

### Criteria

The ICD/USA Section Outstanding Dental Leader Award shall be reserved for the EXCEPTIONAL leaders in dentistry. For purposes here, an exceptional leader is defined as one who, in the face of overwhelming and seemingly insurmountable difficulties, is able to craft exceptional and creative opportunities. Nominees for the Outstanding Dental Leader award should meet at least one of the first three criteria below:

1. Epitomize the highest ideals of professional ethics and conduct, with a commitment to the promotion of quality, accessible dentistry to the world's populace.
2. Continuously and selflessly dedicate herself/himself to providing aid to those unable to help themselves due to financial, physical, or mental capabilities.
3. Demonstrate extraordinary and meritorious leadership and dedication to the advancement of our profession, including but not limited to the active practice of dentistry, dental research, dental education, public health, dental administration, or organized dentistry.
4. The nominee is not in a current USA Section Board of Regents leadership position, nor has held a USA Section Board of Regents leadership position for at least two years. [BOR 18/18]

## **Distinguished Humanitarian Award**

### Criteria

The Distinguished Humanitarian Award will be presented annually to an International College of Dentists-USA Section Fellow who has demonstrated an extraordinary dedication and commitment to serve those in need.

- The nominee will exhibit an outstanding history of participating in humanitarian and community activities, either within the United States or globally.
- The humanitarian activities may be related to providing dental care as well as other activities designed to improve the general health and well-being of those less fortunate.
- The nominee will be held in high regard by his Fellow colleagues and will be known for his generosity and dedication to those in need.

- The nominee should have an active history of participation in various humanitarian and community projects. Those activities should contain a significant level of participation, generally well above what may be considered to be at a participatory level.
- The nominee may have shown leadership in organizing these humanitarian activities, providing financial support or by exhibiting a high level of participation in these projects.
- The nominee's qualifications for this award must be acknowledged and verified by at least two letters of support from other ICD Fellows, detailing the history of the nominee's contributions and qualifications. The letters of endorsement will be electronically forwarded to the Registrar at [ewagner.regusa@usa-icd.org](mailto:ewagner.regusa@usa-icd.org) and then on to the Awards Committees for consideration.
- The nomination letters must be received by March 1 preceding the fall annual meeting.
- This award, consisting of an engraved plaque, will be presented at the annual banquet to the honored Fellow who has contributed significant humanitarian efforts to help relieve human suffering and improvement to the quality of human life.
